

Suckerlove

[Kate Havnevik](#)

Advisory - the following lyrics contain explicit language:

We both know there's nothing more
To be said now, the spark has gone
The vultures waiting with the devil smile
Our love forsaken concealed in lies Suckerlove, baby
It is not worth keeping
So try another one Suckerlove, baby
It is not worth fighting
So try another one We shared fears and our delights
Climbed icy mountains, committed crimes
Now I know I've been as bad as you
So boy, let's face it, now we are through Suckerlove, baby
It is not worth keeping
So try another one Suckerlove, baby
It is not worth fighting
So try another, try another Suckerlove, baby
It is not worth keeping
So try another one Suckerlove, baby
It is not worth fighting
So try another, try another Try another
Try another love, love
