

# Angel Dance

Robert Plant

Goodnight, sleep tight, big bright sun has gone away  
Ya know it's gone away  
Good bye, don't cry, tomorrow bring us a brand new day  
We can run away  
And they'll laugh up and down the hall  
Don't go shout when you hear them fall  
Let them fly right across the wall  
Let them cry till the morning call Little angel dance  
Little angel dance Big night, bright lights, time now to lay them under arrest  
Put 'em under arrest  
Bad guys, mean eye, all gone away to where they belong  
Let's just sing our song  
And they'll laugh up and down the hall  
Don't go shout when you hear them fall  
Let them fly right across the wall  
Let them cry till the morning call Little angel dance  
Little angel dance  
Little angel dance Goodnight, sleep tight, big bright sun has gone away  
It's gone away  
Good bye, don't cry, tomorrow bring us the brand new day  
We can run away  
And they'll laugh up and down the hall  
Don't go shout when you hear them fall  
Let them fly right across the wall  
Let them cry till the morning calls Ah little angel dance uh  
Little angel dance uh uh uh uh uh  
Little angel dance ooh  
C'mon c'mon c'mon and dance  
Yeah yeah yeah yeah yeah yeah yeah yeah  
Ooh dance
