That Country Girl

Lee Matthews

well i finally found a girl i like to know
she lives up on the hill side on stretch off winding road
her daddy is a farmer and her mamma stays at home
oh the country girl is all i ever known

she don;t need all that makeup or perfume
shes a natural kind off beauty always stand out in a room
if only there was something i could do to make her see
oh that country girl.yes shes the one for me

i just cant stop looking at those pretty hazel eyes
she teasing me i no she wants to jive all night
i see her at the dances every weekend day shavo that country girl is all i ever knew
she came into my work the very next day
yea caught me by suprize so i just looked the other way
then set it on the table was a letter and my name
it said boy i hope you dance with me again

i just cant stop looking at those pretty hazel eyes
she teasing me i no she wants to jive all night
i see her at the dances every weekend day shavo
that county girl is all i ever knew
i just cant stop looking at those pretty hazel eyes
shes teasing me i no she want to jive all night
i see her at the dances every weekend day shavo
that country girl is all i ever knew
i just cant stop looking at those pretty hazels eyes
she teasing me i know she want to jive all night
i see her at the dances every weekend day shavo
that county girl is all i ever knew
i see her at the dances every weekend day shaveu
that county girl is all i ever knew
