

# Life Is But A Dream

## The Harptones

Will you take part in my life, my love  
That is my dream  
Life is but a dream; it's what you make it  
Always try to give; don't ever take it  
Life has its music, life has its song of love, love  
Life is but a dream, and I dream of you  
Strange as it seems, all night I see you  
I'm tryin' to tell you just what you mean to me  
I love you with all my heart  
I adore you and all your lovin' charms  
I want you to do your part  
Come here to my open arms  
Life is but a dream, & we can live it  
Oh we can make a love none to compare with  
Oh will you take part in my life, my love  
That is my dream
