Artificial

Slime

You are just a concept, you are just a dream
You are just a reflection of the new regime
You are just a symbol, you are just a theme
You are just a constitution of the murder machine
You can dance and you can sing
You can even do anything
You can talk and you can tell
You can even go to hell!
Ref.
'Cause:
You're artificial!
You're artificial!
You're artificial!
In your artificial life!
