

# The Trees

## Rush

There is unrest in the forest .  
there is trouble with The Trees.  
For the Maples want more sunlight  
and the Oaks ignore their pleas.

Trouble with the Maples  
and they're quite convinced they're right ;  
they say the Oaks are just 'too lofty'  
and they grab up all the light.  
But the Oaks can't help their feelings  
if they like the way they're made.  
And they wonder why the Maples can't be happy in their shade.

There is trouble in the forest  
and the creatures all have fled  
For the Maples scream " Oppression ! "  
And the Oaks just shake their heads.

( temple block bridge as well as alternating 7/8 to 4/4 time tempos )

So the Maples formed a union  
and demanded equal rights  
They say the Oaks are just too greedy,  
We will MAKE them give us light

Now there is no more Oak oppression for they passed a noble law  
Now the trees are all equal by hatchet
