

Issues

Mindless Self Indulgence

[ding ding]
[smooch]
[champagne pop]
[champagne bubbles]Oohh, I'd rather fuck ya than kiss ya (kiss ya)
But I won't press the issue
You know what I need is (I need, I need)
And ya never gonna be it (be it)
I shoulda hesitated
Limousine inebriated
So unsophisticated (-cated)
Too late to be debatedIt's 3 a.m. - she won't put out
Lets go make out with her friends
Make out with her friends' friends
It's 3 a.m. - she won't put out
Lets go make out with her friends
Make out with her friends' friends[ding ding]
[smooch]
[champagne pop]
[champagne bubbles]Oohh, I want a lot of profanity
With a lot of lost virginity
It's a boy's intuition
With a right explanation
'Cause I'm on that mission
With deducted admission
Now take my clothes off
And show me what you're made ofIt's 3 a.m. - she won't put out
Lets go make out with her friends
Make out with her friends' friends
It's 3 a.m. - she won't put out
Make out with her friends' friendsExcuse me, do you want to screw? [x2]
I'm so amazing in the sack
Yes, I'm so amazing in the sack[ding ding]
[smooch]
[champagne pop]
[champagne bubbles][Jimmy:] I'd rather fuck you than kiss youI want a lot of profanity
With a lot of lost virginityNow take those clothes off
And show me what you're made ofIt's 3 a.m. - she won't put outIt's 3 a.m. - she won't put out
Lets go make out with her friends
Make out with her friends' friends

Make out with her friends, make out with her friends' friends [x8]
