

# You're The Cream In My Coffee

Seth MacFarlane

You're the cream in my coffee  
You're the salt in my stew  
You will always be my necessity  
I'd be lost without you You're the starch in my collar  
You're the lace in my shoe  
You will always be my necessity  
I'd be lost without you Now most men tell love tails  
And each phrase dovetails  
You've heard each known way  
This way is my own way, dear You're the sail in my love boat  
You're the captain and crew  
You will always be my necessity  
I'd be lost without you Now most men tell love tails  
And each phrase dovetails  
You've heard each known way  
This way is my own way, dear You're the sail in my love boat  
You're the captain and crew  
You will always be my necessity  
I'd be lost without you
