

Don't Leave Poor Me

Big Maybelle

Stop, Don't do it
Baby Don't walk out the door
I said Stop, Don't do it
Baby Don't walk out the door
If your going now
I won't be no good no more Don't leave poor me
Don't leave poor me
I'm Beggin' on my knees
Don't leave poor me
Have mercy please
Have mercy please
I'm like a rat that wants his cheese
Don't leave poor me
If you go don't you know I'll follow you
And I won't be ashamed of myself
And you can bet your bottom dollar too
You can't have nobody else I need you so
Lord knows I do
I need your good lovin' too
Don't leave poor me Stop, Don't do it
Baby don't cha
I said Stop, Don't do it
Baby don't cha
If your going now
I
Don't leave poor me
Don't leave poor me
I'm Beggin' on my knees
Don't leave poor me
I'm in misery
Hooo ohhh
Don't leave poor me
