

# Other Side

## Haley Dreis

Is that what you meant to say?  
Is that what you meant to do?  
Is that why I'm falling over you

I don't know who to trust  
I don't know who to blame  
All I know is it's just not the same

Pre-Chorus:  
And I know it's time to say goodbye  
But I think it's fair to tell me why

Chorus (2x):  
I will hide on the other side  
I don't know how I feel without you now

I thought you would tell the truth  
I know that it's not my place  
Sorry hunny now it's just too late

Bridge-ish/Verses  
Don't you say that I can't see the other side  
And no, it's not alright with me

[Chorus x2)

Without you now (2x)
