

One Way Road

Oasis

I wanna get high but I never could take the pain
'Cause it would blow away my soul like a hurricane
Like a one man band clapping in the pouring rain
If I know where I'm going, I don't know from where I came
Where we gonna be in summertime?
And are we gonna see the heavens shine
Like diamonds in the sky?
As soon as they come
The feelings they go
All alone, on a one way road
As soon as they come
The feelings they go
All alone, on a one way road
I wanna get high but I really can't take the pain
'Cause it will blow away my soul like a hurricane
I'm like a one man band clapping in the pouring rain
If I know where I'm going, I don't know from where I came
Where we gonna be in summertime?
And are we gonna see the heavens shine
Like diamonds in the sky?
As soon as they come
The feelings they go
All alone, on a one way road
As soon as they come
The feelings they go
All alone, on a one way road
