Pyrotechnic Chant

Unwritten Law

O, it's pyrotechnic time, allright, before we do protechnics, we have a sacret curse we chant, to make sure noone caches on fire, it's called, meca leca hi meca hiny ho, lets get a better one than that, are you guys ready, on the count of three, one two three, meca leca hi meca hiny ho, that was terible, what?, you guys suck, i couln'd even say it, it's secret kunfo, try it again, ok lets go, meca leca hi meca hiny ho, o allright, so you guys are going to get lit on fire.
