

# Unthinkable (ft. Drake)

Alicia Keys

Moment of honesty  
Someones gotta take the lead tonight  
Who's it gonna be?  
I'm gonna sit right here  
And tell you all that comes to me  
If you have something to say  
You should say it right now You give me a feeling that I never felt before  
And I deserve it, I think I deserve it  
Its becoming something that's impossible to ignore  
And I can't take it  
I was wondering maybe  
Could I make you my baby  
If we do the unthinkable would it make us look crazy  
If you ask me I'm ready  
If you ask me I'm ready I know you said to me  
"This is exactly how it should feel when its meant to be"  
Time is only wasting so why wait for eventually  
If we gonna do something 'bout it  
We should do it right now  
(We should do it right now) You give me a feeling that I never felt before  
And I deserve it, I know I deserve it  
Its becoming something that's impossible to ignore  
It is what we make it  
I was wondering maybe  
Could I make you my baby  
If we do the unthinkable would it make us look crazy  
Or would it be so beautiful either way I'm sayin'  
If you ask me I'm ready  
If you ask me I'm ready Why give up before we try  
Feel the lows before the highs  
Clip our wings before we fly away (fly away)  
I can't say I came prepared  
I'm suspended in the air  
Won't you come be in the sky with me I was wondering maybe  
Could I make you my baby  
If we do the unthinkable would it make us look crazy  
Or would it be so beautiful either way I'm sayin'  
If you ask me I'm ready  
If you ask me I'm ready

If you ask me I'm ready  
If you ask me I'm ready
