

Sundown

S Club 8

Sundown, Friday, twilight in the big town
Party people getting ready now
Somewhere baby
I know you're waiting
The city's vibrating

The city's in a heatwave
Praying for a sunshade
Hoping that the evening
Will chill down the streets

And I'm a little hot too 'cause
I can only think of you
You'll find out what i like

[Chorus]

Sundown, Friday, twilight in the big town
Party people getting ready now
Somewhere baby
I know you're waiting
The city's vibrating
Sundown, the air gets cooler
But my heart pounds
Loud and fast I'm getting ready now
Somewhere baby
I know you're waiting
The city's vibrating

I don't know if you've seen me
don't know if you are dreaming
Hoping for someone
Who can show you who you are

Tonight I'm gonna find you (find you)
Fly in on a breeze and blind you (blind you)
Take you from this clubland
And send us into the stars

[Chorus]

Bring back the f-funk, uh, yeah
Time no need to rush
We can make it right
'Cause we are meant to be, you and i
It's in the air we breathe
All around, all around

Say your longing too
'Cause i will look for you
At sundown
Sundown, Friday
Twilight in the big town (Friday)
Party people getting ready now
(Getting ready now)
Somewhere baby
I know you're waiting
The city's vibrating (sundown)
Sundown, air gets cooler
But my heart pounds (you know, you know)
Loud and fast
I'm getting ready now
(I'm getting ready now)
Somewhere baby (baby)
I know you're waiting
The city's vibrating (the city's vibrating)
