

Mother of Mercy

Iron Maiden

Sitting waiting in the falling rain
Getting ready to begin again Wounded lying crying
Bodies moving dying
All around there is the smell
Of death and fire Here the planes are coming
Hear the soldiers running
Killing on a scale to comprehend Why are we here
In this place... here to kill
Please God forgive us for
what we have done I always thought I was doing right
As of now I'm not feeling so sure I'm at a place of where
I give no grace
I'm a soldier of war I sit waiting for my darkest hour
To come
I cannot think about the things
That I have done
It shouldn't take a fool to see
That I believe
Accept the consequence
Repent for what I've done You tell me what is certain
But I'll tell you what is true
You tell me that is honesty
When all around is death and cruelty The making of a man is fire
Not giving in to our desires
Within the truth that lies
Within the only thing
Mother Of Mercy
Angel of death desire
Mother Of Mercy
Taking my last breath of fire Mother Of Mercy
Angel of pain
Mother Of Mercy
Taking my last breath Some say you are a lost cause
Some say you're a Saint
Just being here's an act of
suffering and restraint Walk down the long dark road
To ruin panic not
I'll die a lonely death of that
I'm certain of Rivers flow with blood

There's nowhere left to hide
It's hard to comprehend
There's anyone left alive Sick of all the killing
And the reek of death
Will God tell me
What religion is to man I don't hold with bad religion
Understand what's underneath it
Now I come to think of it
I just don't hold at all you know it You say you are a holy man
But what is it you do
From where I stand is nothing
But a hallow man I see Mother Of Mercy
Angel of death desire
Mother Of Mercy
Taking my last breath of fire Mother Of Mercy
Angel of pain
Mother Of Mercy
Taking my last breath I'm just a lonely soldier fighting
In a bloody hopeless war
Don't know what I'm fighting
Who it is or what I'm fighting for Though it was for money
Make my fortune now I'm not
So sure
Seem to just have lost my way
