## Hundredth

You walk on by  
without feeling to your stroll.

You Walk Alone.

Compromise,  
It's just another contradiction.

You're not alone.

There's a place  
You've run away  
that is in your heart  
it is in your heart.

In your heart  
Your love again.

there's a place to be afraid  
There's another chain to hold  
and you don't know.

Your hell is when you dream  
and I'm awake.

Look into your heart  
Deep in your heart.

In your heart  
Your love again.  
There is none for  
love is not afraid.  
In your heart  
Your love again.
