

# Don't Try

## Built to Spill

you're life that sky? maybe try? all guy? for i might one tries? but don't try their time? their kind no don't try they  
might seem fine your light so shine? inside all mine everyone goes on and on and everyone goes on and on  
everyone and everyone everyone everyone everyone everyone your light last night we make time? all right i  
might go try? but don't try their kind?
