

Inside

Inside
Inside
Inside
Inside Last night when I saw you
With somebody new
You asked, how I've been
And I, I told you I was fine
And as you held each other close
I smiled and said, "It's good to see you"
And you didn't know Inside
I'm cryin' baby
Inside
I'm dyin', baby
I don't wanna let you see
Baby, what you've done to me
So I keep it all
Inside
Inside Sometimes when you call me
I don't know what to say
You say I've been on your mind
And we'll talk again sometime
You say you're glad we can be friends
I say I'm over all the heartache
But it's all pretend Inside
I'm cryin' baby
Inside
I'm dyin' baby
I don't wanna let you see
Baby what you've done to me
So I keep it all
Inside Outside I'm smilin' baby
Outside these tears
Just can't be found
But I'm just breaking down Inside
Don't you know that I am dyin' baby
Dyin' baby
I don't wanna let you see
Baby what you've done to me
So I'll keep it all Inside

Yeah, I'm cryin' baby
Inside
I'm dyin' baby
I don't wanna let you see
Baby what you've done to me?
So I'll keep it all
Inside
I'll just keep it all
Inside
Inside
Inside
