

Obsession (Kenny Hayes Radio Edit)

Tich

On New Year's Eve,
I saw you the first time
Hard to believe
Love hit me at midnight
And hard to see, until the fireworks
Lit up the sky...I remember January, February, March, April, May,
Been thinking about you, boy, every single day
Burned by your flame, yeah you blew me away
I pray...How can a heartbeat beat so in love?
I play someone like you all night long,
I can sit here all day, just writing your name,
I'll sleep under the rain,
You can call me insane
You're my obsession
(oh-oh, oh-oh)
You're my obsession
(oh-oh, oh-oh)Found your picture online
Now it's on my iPhone
Hard not to cry
When I think of us, on my own
I don't even know your name, do you think the same?
But will I ever, kno-oh-woah-oh-woah-oh-oh-woahHow can a heartbeat beat so in love?
I play someone like you all night long,
I can sit here all day, just writing your name,
I'll sleep under the rain,
You can call me insaneHow can a heartbeat beat so in love?
I play someone like you all night long ,
I can sit here all day, just writing your name,
I'll sleep under the rain,
You can call me insane
You're my obsession
(oh-oh, oh-oh)
You're my obsession
(oh-oh, oh-oh)Are you only in my mind?
Will someone tell me will you ever be mine?How can a heartbeat beat so in love?
I play someone like you all night long,
I can sit here all day, just writing your name,
I'll sleep under the rain, you can call me insane
How can a heartbeat beat so in love?

I gave someone like you all my love,
I can sit here all day, just writing your name,
I'll sleep under the rain, you can call me insane
You're my obsession
(oh-oh, oh-oh)
You're my obsession
(oh-oh, oh-oh)
You're my obsession.
