Greatest Cure

Adhitia Sofyan

I'll be on my way, wait till you see the toys I bought
You'll be on my mind, wait till it's time for me to goCan't wait to see those sleepy eyes
They will refuse to end the day
Can't wait to hear those mumbling goo
Saying I got a lot to learnAnd I will see through it all now saying yeah yeah yeah
I'll be all right singing yeah yeah yeah
I see through it all now singing yeah yeah yeah
Cause you'll be my greatest cure of allI'll be on my way, wait till I open up the door
Now you stay on my mind, there's no time like coming home tonightI'll be on my way, wait till you see the toys I bought
I'll be by your side, let's close our eyes and end the day
