

# Azillion

## Iggy Azalea

Heading for a zillion  
Thumbing through a billion  
Gotta keep it trillion  
What is a million?  
Okay  
Heading for a zillion  
Thumbing through a billion  
Gotta keep it trillion  
What is a million?  
Okay  
Heading for a zillion  
Thumbing through a billion  
Gotta keep it trillion  
What is a million?  
What the fuck is a million?  
Gotta stack bread, Home Pride to the ceiling, uh  
All my bitches say let's get it on  
One time for my bitches that can get it on  
Represent for the ladies that be working  
Who we schooling? Who you ruling?  
Pussy power, 'til I'm passin' on  
Uh, six feet to the dead beats  
Six feet to those that don't understand me  
Six feet to the lame dudes talking who scared to put a ring on it  
Yeah, you know you hear me  
Listen up this is therapy  
There is no one ahead of me  
A hundred bad chicks are backing me  
The rest of y'all are just nominees  
Who tryna get it, tryna get it with me  
If I can do it you can get it with me  
Guacamole, come and get it with me  
Point 'em out, every penny, penny  
Who tryna get it, tryna get it with me  
If I can do it you can get it with me  
Guacamole, come and get it with me  
Point 'em out, every penny, penny  
Now what's a milli to a billion?  
Forget a billi keep it trillion  
We looking pretty in the building  
Looking like a trillion  
Feeling like a zillion

Now what's a milli to a billion?  
 Forget a billi keep it trillion  
 We looking pretty in the building  
 Looking like a trillion  
 Feeling like a zillion This is when I kill it, when I flip it  
 When I get it on  
 Money got us fickle think I want to spend it all  
 Fuck them with the silvers and golds  
 I'm getting commas and O's like Cheerios needs to get a song  
 Who tryna get it, tryna get it with me?  
 From December to the motherfucking Igguary  
 Body bags putting covers in the cemetery  
 New Classic just the preliminary  
 This a rap bitch obituary  
 Pop queen, many weeks on the chart it's scary  
 Got my squad no time for a little fairy  
 Raw shit, salmonella, gotta fuckin' bury  
 Legendary, kept it hustling, go for nothing, it was temporary  
 Seen it all before it happened I'm a visionary  
 Now the game, that's mine, it's necessary Who tryna get it, tryna get it with me  
 If I can do it you can get it with me  
 Guacamole, come and get it with me  
 Point 'em out, every penny, penny  
 Who tryna get it, tryna get it with me  
 If I can do it you can get it with me  
 Guacamole, come and get it with me  
 Point 'em out, every penny, penny Now what's a milli to a billion?  
 Forget a billi keep it trillion  
 We looking pretty in the building  
 Looking like a trillion  
 Feeling like a zillion  
 Now what's a milli to a billion?
