

Dushi

Edwin Yearwood

I came in here tonight
to make the wrong things right
and give you what you want
now you in di mood,
sweet music start to flow
and I won't let you go
if you ready let me know
let me hear you say (si si si)

Chorus:

I like what I see (Dushi)
I like what I see (Dushi)
so save some for me (Dushi)
so save some for me (Dushi)
carnival friend (Dushi)
this is not the end (Dushi)
this can't be the end (Dushi)
I'll see you again (Dushi)
carnival friend (Dushi)

o yo yo yo yo yo yo (Dushi)
ai ya ya ya ya ya yai (Dushi)
o yo yo yo yo yo yo (Dushi)
Carnival friend (Dushi) 2x

I see you once a year
but I remember clear
you love to groove away
when you in di mood
and when di session done
and you done have your fun
you smile and then you gone
I still hear you say (si si si)

Chorus:

I like what I see (dushi)
I like what I see (Dushi)
so save some for me (Dushi)
so save some for me (Dushi)
carnival friend (Dushi)

this is not the end (Dushi)
this can't be the end (Dushi)
I'll see you again (Dushi)
carnival friend (Dushi)

o yo yo yo yo yo yo (Dushi)
ai ya ya ya ya ya yai (Dushi)
o yo yo yo yo yo yo (Dushi)
Carnival friend (Dushi) 2x
