Audrey (Radio Version)

Amber Oak

Told her something and Audrey knows it
I told her something and Audrey knows it all
And I don't want to but I will listen
I hate her stories, I hate her random yawnsI like the coat but I don't see the heart
I want the thrill but I don't like the odds
And I'm not that guy who talksGot a question and Audrey states it
Got an answer and Audrey says it's faulse
I don't want to but I will listen
I'm really raging but I won't show a thing, oh no no no noI spite the coat but I don't see the heart'
I want recite but I don't like the marks
And I'm not that guy who talks
