

Sun Goes Down (feat. MAGIC! & Sonny Wilson)

David Guetta

Oh wooh

Oh gonna break it, break it, break it, break it down for you, oh

Once more, oh When the sun goes down

And your eyes cannot see

When the sun goes down

And your hands cannot reach

When your bones feel like breaking

And your heart cannot take another run

I'll be there when the sun goes down All that I want

Is just to be crazy when the sun goes down

And all that I need

Is for you to be my baby when the sun goes down When the sun goes down Baby get down Baby get down

Oh

Oh (Yeah eh eh eh) When the sun goes down

We'll be dancing in the dark

When the sun goes down

To the beating of your heart

As the Earth moves in orbit

I will always be the one

Who stands my ground

I'll be there when the sun goes down (Everybody now come and sing along with that track now) All that I want

Is just to go crazy when the sun goes down

And all that I need

Is for you to be my baby when the sun goes down All that I want

Is just to go crazy when the sun goes down

And all that I need

Is for you to be my baby when the sun goes down When the sun goes down (When the sun goes down)

When the sun goes down (When the sun goes down)

When the sun goes down

I see you around
