

Serious (7" Edit)

Duran Duran

Oh, woman you make me feel, like I'm on fire
Oh, woman you make it real, it's the only way for me
So, if we sometimes fight, doesn't mean we got problems
Ain't always black and white, who cares anyway? Ooh, doesn't have to be serious
Ooh, doesn't have to be serious, serious
Ooh
(Doesn't have to be serious)
Ooh
(Doesn't have to be serious) Oh, baby you get so wild, hmm too much understanding
Oh, baby you're such a child, put up with all the tears and cryin'
Don't worry if you're confused, we all tend to be sometimes
The whole world is getting used, it's just the way it is Maybe right, ooh, but maybe wrong
(Doesn't have to be serious)
Bein' hard, isn't bein' strong?
(Doesn't have to be serious) Fightin' for love, fightin' for pain
(Ooh, doesn't have to be serious)
And if you win, ooh what do you gain?
(Doesn't have to be serious) (Ooh, doesn't have to be serious)
Maybe right, ooh, but maybe wrong
(Doesn't have to be serious)
Fightin' for love, fightin' for pain
(Ooh, doesn't have to be serious) And if you win, oh what do you gain?
(Ooh, doesn't have to be serious)
Maybe right, oh but maybe wrong
(Doesn't have to be serious) Bein' hard, isn't bein' strong
(Doesn't have to be serious)
Fightin' for love, fightin' for pain
(Ooh, doesn't have to be serious)
