

# Oh Karissa, How I Miss Ya (GM OG Mix)

## Hellogoodbye

Oh Karissa  
how I miss ya'  
Won't you say you miss me to? I burn a CD through which I am pleading  
That you and I might hang out soon Oh, I don't mean a date or anything serious  
I just think that we'd be good friends So if you're not busy,  
I'm just a bit curious  
if we could hang out this weekend.
