

# Raggamuffin

## Jaydan

You never had it easy, I know.  
But I still remember you and what we used to say so  
    This' my song for you, my friend  
You can only see that I can hardly let things go,oh oh yeah  
    So listen to the sound of my voice  
    Your brothers sending all my love  
    He's giving me no choice no no no  
    So listen to the sound of the points,ha  
    Raggamuffin is a freedomfighter,  
    He's handling a choice and I know, that  
    Dear raggamuffin is one of the friend  
What you see is what you really need in the end  
    What you ever gonna gonna do I dunno  
    Dear raggamuffin shall not fall down

Cause he has the wisdom of a not fool around  
Why don't you feel good sense under ya ground yeah  
    You never had it easy I know  
I still remember you, and what we used to have so  
    This' my song for you my friend  
You could only see that I, would never forget, anyways  
    Ohohoh, yeah..x4  
    Dear raggamuffin is one of the friend  
What you see is what you really need in the end  
    What you ever gonna gonna do I dunno  
    Dear raggamuffin shall not fall down  
Cause he has the wisdom of not fool around  
Why don't you feel good sense under ya ground
