Money Money

The Partridge Family

Money, money,
I wish I had some
I'd spend it on you, babe
Cause your really somethin'
Even though I don't have a lot
You can have what I've got(Chorus)
Money money
Money money
Money money
I just don't have none
But you're the kind of girl that
Makes me want to get some
So I can go where I've never seen myself
And you've never beenMoney money
Money money
I've got get myself up, out of bed
Get some work today
If I'm ever going to keep a girl like you around
Got nine to five all week long
Till I get some take home pay
Cause everybody knows
That you like your fancy clothes
And that's where my money goes(Chorus)
Money money
Money money
Money money
I've got to have it
And if I get the chance again
You know I'm gonna to grab it
I got to make some money today
If I want you to stay
