

If You Don't Want My Love

John Prine

If you don't want my love
If you don't want my love
If you don't want my love
I know who I'll give it to
If you don't want my love
If you don't want my love
If you don't want my love

Any more

If you don't want the thrill
If you don't want the thrill
If you don't want the thrill
I know who, I know who will
If you don't want my love
If you don't want my love
If you don't want my love

Any more

If that's the way that the world goes round
Then that's the way that it all comes down
And when you want me, I won't be around

If you don't want my love
If you don't want my love
If you don't want my love
I know who I'll give it to
If you don't want my love
If you don't want my love
If you don't want my love

Any more
