

Crime of the Century

Supertramp

Now they're planning the crime of the century
Yes, it's well worth the feeRead all about their schemes and adventuring
Yes, it's well worth a feeSo roll up and see
How they rape the universe
How they've gone from bad to worseWho are these men of lust, greed and glory?
Rip off the masks and let's seeBut that's not right, oh no, what's the story?
Look, there's you and there's me
