On My Way Downtown

Lucero

All right!On my way downtown
Thought you might be around
Come on down, have a drink
Have a round, it's on me
And I said that I would
So yes, ma'am, I'll be good
I'll make up for the days that we lost
Ran awayCome on baby, don't you want to go?
Want to go?
Come on baby, please say so
Say so
I ain't looking for forever
I ain't asking for your hand
I'm just on my way downtown
And I thought I'd take a chanceCome on down for just one drink
When you're around, I'm more of the man I should be
Come on now baby, can't you see?
Can't you see that you're good for me?
Don't you know that you're good for me?And the last time we drank
I was less than behaved
But I said that I would
I'll make up for old days
Come on baby, don't you want to go?
Want to go?
Come on baby, please say so
Say soCome on down for just one drink
When you're around, I'm more of the man I should be
Come on now baby, can't you see?
Can't you see that you're good for me?
Don't you know that you're good for me?
Come on, let's go
Come on, let's go
You're good for me, darling
You're good for me, don't you knowOn my way downtown
Just waiting for you
Alright
Come on out tonight
Don't you want to go?
Want to go?

Come on out tonight, girl
I've been waiting for you downtown
So why don't you come on down?
Why don't you come around?Come on baby, don't you want to go?
Want to go?
Come on baby, please say so
Say so
I ain't looking for forever
I ain't asking for your hand
I'm just on my way downtown
And I thought I'd take a chance
Come on baby, don't you want to go?
Want to go?
Come on baby, please say so
Say so
I ain't looking for forever
I ain't asking for your hand
I'm just on my way downtown
And I thought I'd take a chanceThat's rightOn my way downtown
Just waiting for you
