

Odd Fellows Rest

Crowbar

Salvation, soul searching
For lost innocence, I feel it coming
I feel it coming, coming in waves
Coming in waves Created my own world
Created my own world
The angels, they carry me
The angels, they carry me It's such a long way home Salvation, I feel it coming
Coming in waves, coming in waves Created my own world
Created my own world
The angels, they carry me
The angels, they carry me It's such a long way home
It's such a long way home
Such a long way home
It's such a long way home
