

The Ballad Of Big Poppa and Diamond Girl

Cobra Starship

Senorita, I can't forget your eyes,
Your hair, your Spanish ass
I don't care what you tell the other guys
I'll do what you say. Say what you want, say what you mean
Girl all I need is for you
To be the one that I believe
Can I believe you?
Say what you want, say what you mean
Girl all I need is for you
To be the one
Don't lie lie lie. Diamond girl
I wanna wrap you around the world
I'll never let you touch the ground
I'll be your Biggie, you'll be my Lil' Kim
Inquitita, mira que yo quiero decirte
Lo que no sabes
Why vos solamente contame la verdad
Vas a ver que yo tel guardo
