

I Wanna Hold On to You

Mica Paris

I got to hold on.....
I wanna hold on to you baby Love is like a river rushing out to sea
I can feel the rhythm when your close to me
No there ain't no mountain, Baby we can't climb
Ain't no ocean deeper than this love of mine
I know I stay out late, working for my pay
Baby don't you worry, don't you be afraid
Baby when I tell' ya this love's on solid ground
People try to hurt you I'll always be around Chorus
I wanna to hold on to you (Hold)
I wanna to hold on to you (Hold) On.....
Hold On Love is just a fever burning around my head
I can feel the rapture close to you in bed
You know there ain't no other place I'd rather be
Your my only lover so baby set me free
When the road gets rough (Love Me)
Don't know what to do but I know somehow (I know somehow)
Gonna see it through, feels so good to be (Love Me)
Lying by your side, pull me closer baby press your lips on mine Chorus
I wanna to hold on to you (Hold)
I wanna to hold on to you (Hold) On....
Hold On Bridge
The passion's flowing deep in my soul
Each time I see you, I lose control
