Soft Rains Of April

A-ha

The soft rains of April are over
The soft rains of April are over, overAnybody home now
I am on the phone now, pleaseThe soft rains of April are over
The ferry across the water to dover, overAnybody home now
I am on the phone, oh I'd like to go back
Is it raining back home
I'm so aloneJust got up today
And my thoughts are miles away
With youWell, they gave me four years
Three more to go
Keep writing letters
Time's passing so slow
Time's passing so slowSo soft rains of April are over
The soft rains of April are over, over
