

# Uh Oh Feeling

Brian McKnight

So long is the night  
Without you by my side  
To feel you breathe  
So selfishly, oh mine  
Feeling come alive  
When I look into your eyes  
Feel you reach  
Way down deep inside You're my world (my only)  
You're my girl (my only)  
Every time your lips meet mine  
Girl, girl you give me that (you give me that)  
You give me that  
Uh-oh feeling Oh  
You make me ohhh  
And I'd never felt this way You've always find a way  
To brighten up my day  
Joy you bring  
Makes everything alright  
Every time you call my name  
You'd always starts the flame  
Up and down  
And all around my spine You're my world (my only)  
You're my girl (my only)  
Every time your lips meet mine  
Girl, girl you give me that (you give me that)  
You give me that  
Uh-oh feeling Oh  
You make me oh  
And I'd never felt this way  
For you all the life I've paid  
Baby all that I can say  
Is oh You make me oh  
And I'd never felt this way  
Oh  
You make me oh  
And I'd never felt this way  
I, I'd never felt this way
