Feelsolow

NO CEREMONY///

Feel so low
Feel so lowCan you let me go?
Can you let me leave this place?
Im a godless captive of
Something no one knows existsIs it wrong to make you love me?
Is it wrong to make you stay?
It breaks my heart to see you watching
You wanted to believeIs it wrong to make you love me?
Is it wrong to make you stay?
It breaks my heart
Oh, wanted to believeYou know my heart is gone
You know my faith is gone
Ill be waiting
Ill be waiting
Ill be waiting
Nothing comesOoh ooh
Feel so low
Feel so lowYou know my heart is gone
You know my faith is gone
Ill be waiting
Ill be waiting
Ill be waiting
Nothing comesYou know my heart is gone
You know my faith is gone
Ill be waiting
Ill be waiting
Ill be waiting
Nothing comesIs it wrong to make you love me?
Is it wrong?Ooh oh
Feel so low
Feel so lowYou know my heart is gone
You know my faith is gone
Ill be waiting
Ill be waiting
Ill be waiting
Nothing comesYou know my heart is gone
You know my faith is gone
Ill be waiting
Ill be waiting

Ill be waiting
Nothing comesIs it wrong to make you love me?
Is it wrong to make you love me?
