

Cry for You (UK Video Edit)

September

I never had to say goodbye
You must have known I wouldn't stay
While you were talking about our life
You killed the beauty of today Forever and ever, life is now or never
Forever never comes around
People love and let go
Forever and ever, life is now or never
Forever's gonna slow you down You'll never see me again
So now who's gonna cry for you?
You'll never see me again
No matter what you do You'll never see me again
So now who's gonna cry for you?
You'll never see me again
No matter what you do You never heard me break your heart
You didn't wake up when we died
Since I was lonely from the start
I think the end is mine to write Forever and ever, life is now or never
Forever never comes around
People love and let go
Forever and ever, life is now or never
Forever's gonna slow you down You'll never see me again
So now who's gonna cry for you?
You'll never see me again
No matter what you do You'll never see me again
So now who's gonna cry for you?
You'll never see me again
No matter what you do Forever and ever, life is now or never
Forever never comes around
Forever and ever, life is now or never
Forever's gonna slow you down You'll never see me again
(Forever and ever, life is now or never)
So now who's gonna cry for you?
(Forever never comes around)
You'll never see me again
(Forever and ever, life is now or never)
No matter what you do
(Forever's gonna slow you down) You'll never see me again
(Forever and ever, life is now or never)
So now who's gonna cry for you?

(Forever never comes around)
You'll never see me again
(Forever and ever, life is now or never)
No matter what you do
(Forever's gonna slow you down)Forever and ever, life is now or never
Forever never comes around
