Frenzy

Bizarre Inc.

Blow my speakers up
Blow 'em up
Blow my speakers up

Blow my speakers up
Blow 'em up
Blow my speakers up

(ohh)
Blow my speakers up
Blow 'em up
Blow my speakers up

Blow my speakers up
Blow 'em up
Blow my speakers up

Let's talk about Jesus Christ
Let's talk about what you like
What makes you tick...
What makes you cry..
What makes you sick..
What's on your mind

(Oh no)
Oh no
Let's build a Frenzy
Let's go
Till you hit the boundaries
Maestro, I'm wound up and rowdy
Oh no
Let's build a Frenzy

(oh ..no)
Let me show you what I like
I want you to do it right
Take the time
Off your mind
Get your guns

Hunting down demons tonight

Oh no
Lets build a frenzy
Lets go
Till you hit the boundaries
Maestro I'm wound up and rowdy
Oh no
Let's build a Frenzy

Oh
Let's go to the Disco
It's magic
Let's go to the Disco
Fantastic
Let go out to the so call
(Get at it)
Get at it
I wanna go disco

Blow my speakers up
Blow 'em up
Blow my speakers up

Blow my speakers up
Blow 'em up
Blow my speakers up

(ohh)
Blow my speakers up
Blow 'em up
Blow my speakers up

Blow my speakers up
Blow 'em up
Blow my speakers up

Talk about Jesus Christ

Oh no
Let's build a frenzy
Let's go
Till you hit the boundaries
Maestro, I'm wound up and rowdy
Oh no
Let's build a Frenzy

[repeat till the end]
