Because You're Mine

Dean Martin

Because you're mine the brightest star I see
Looks down, my love and envies me
Because you're mine because you're mineBecause you're mine, the breeze that hurries by
Becomes a melody and why?
Because you're mine because you're mineI only know for as long as I may live
I'll only live for the kiss
That you alone may give meAnd when we kiss that isn't thunder, dear
It's only my poor heart you hear and it's applause
Because you're mineAnd when we kiss that isn't thunder, dear
It's only my poor heart you hear and it's applause
Because you're mine
