

Something's Happening

Peter Frampton

Who said it's my year was it you there? Can't go wrong
I see a new way you'll be in my play, sing my song
Where is the reason I keep teasing, if I knew?
To see the new year not being blue here, evermore You know it's alright something's happened
Hold tight it might be lightning
Turn up the lights somethin's moving
Can't sleep at night my heart keeps missing a beat Well, I know it's my year ain't got no fear, hold me down
Take it easy if not for me, sing my song, yeah
Where is the reason I keep teasing, if I knew?
To see the new year not being blue here, evermore You know it's alright something's happened
Hold tight it might be lightning
Turn up the lights I feel like dancing
Can't sleep at night my heart keeps missing a beat Ooh baby, don't ever let it bring you down
Ooh baby, that's not the way I want it to sound
Ooh baby, don't ever let it bring you down
Ooh baby, I'll pick you up on the ground Alright something's happened
Hold tight it might be lightning
Turn up the lights I feel like dancing
Can't sleep at night my heart keeps missing a beat Ooh baby, don't ever let it bring you down
Ooh baby, that's not the way I want it to sound
Ooh baby, don't ever let it bring you down
Ooh baby, I'll pick you up
