

# Play It Loud

## DJ Norman

Hey, hey turn up that song  
I think about you when it comes on  
And I get lifted off the ground  
And when you're in my arms  
I feel the beat down in my heart  
It makes my world spin around  
So come on, baby, you know the moment's right  
    Yeah, take me by the hand  
    And we can rock away the night  
    I wanna dance till the break of day  
    To the music that we make  
    There's never been a sweeter sound  
    I wanna wake the neighbors  
    Make the headlines in the mornin' paper  
    No, I don't wanna turn it down  
'Cause there's nothin' like the rhythm of love so play it loud  
    You're like a melody  
    And girl it gets all over me  
    When you move the way you do  
    And, ooh, when I feel your touch  
    Then it gets to be too much  
    You know it puts me in a mood

Come on baby, yeah, don't be shy  
Just open up your heart and hold on tight  
I wanna dance till the break of day  
    To the music that we make  
    There's never been a sweeter sound  
    I wanna wake the neighbors  
    Make the headlines in the mornin' paper  
    No, I'm not gonna turn it down  
'Cause there's nothin' like the rhythm of love so play it loud  
So come on baby, you know the moment's right  
    Yeah, take me by the hand  
    And we can rock away the night  
    I wanna dance till the break of day  
    To the music that we make  
    There's never been a sweeter sound  
    I wanna wake the neighbors

Make the headlines in the mornin' paper  
There ain't no way to turn it down  
'Cause there's nothin' the rhythm of love  
There's nothing like the rhythm of love so play it loud
