

# Magic's In the Makeup

## No Doubt

Can you tell I'm fakin' it?  
But I wanna be myself  
A counterfeit disposition  
Can't be good for my health So many different faces  
Depending on the different phases  
My personality changes  
I'm a chameleon There's more then one dimension  
I can fool you and attract attention  
Camouflage my nature  
Let me demonstrate Makeup's all off  
Who am I?  
Magic's in the makeup  
Who am I? If you bore me then I'm comfortable  
If you interest me, I'm scared  
My attraction paralyzes me  
No courage to show my true colors that exist But I wanna be the real thing  
But if you catch my eye can't be authentic  
The ones I loath are the one's  
That know me the best My makeup's all off  
Who am I?  
The magic's in the makeup  
Who am I? The makeup's all off  
Who am I?  
If the magic's in the make up  
Then who am I? Magic's in the makeup  
But I wanna be the real thing  
But the magic's in the makeup  
And I wanna be the real thing My makeup's all off  
Who am I?
