

What Did I Do (To Deserve You)

Aaron Neville

Unbelievable describes your smile so sweet
Inconceivable that you're a part of me
Innocent look in your eyes
Love without compromise for me
It's a mystery What did I do to deserve you
Only God's hands could have made you
And brought this dream to life
Always swore that I , I would never fall
I guess miracles happen after all
What did I do to deserve you
Oh Yeah Unconventional, describes my love for you
Unconditional, cause there's nothing I won't do
I pray as this feeling grows
That you always touch the heart and soul of me
It's a mystery What did I do to deserve you
Only God's hand could have made you
And brought this dream to life
Always swore that I , I would never fall
I guess miracles happen after all
What did I do to deserve you I've waited all my life to hold such a treasure
What is this feeling worth, there is no measure
Tell me what can I do What did I do to deserve you
Only God's hand could have made you
And brought this dream to life
Always swore that I'd , I would never fall
I guess miracles happen after all
What did I do to deserve you
To deserve you
