

Gift With a Golden Gun

Toto

It's a twelve o'clock depression, my mind is in recession
And I can't answer you

It's the day I can't remember, I think it's late September

Or is it April blue I can't find peace of mind in a world so unkind

It's just a little heart breaker, just a little heart breaker, yeah It's a sticky situation when I'm near hallucination,
and I refuse to bow

They used to think me funny when I promised them their money
But they're not laughing now [Chorus]

I can't find peace of mind, then she calls me just in time

She's a gift with a golden gun, and she's got them on the run

She's a gift with a golden gun, 'cause she knows what they've done
