Stupid Man

Thomas Helmig

Dying to please
Dying to serve
I couldn't break out
Didn't have the nerve
Loverman
At anyone's command
I woke up lonely
With a glass in my hand
And you found me when my circus was in town
Hallelujah for the singing clownWalk with me
Take my hand
Spend a night
With a stupid man
I am yours if you can
Fall in love
With a stupid manHelpless soul
In a web of love
I didn't get a thing
I couldn't get enough
Drunken tears
From paranoid eyes
Promises came out lies
And you found me
When my ship was about to go down
And you carried me back on solid groundWalk with me
Take my hand
Spend a night
With a stupid man
I am yours if you can
Fall in love
With a stupid manScrap book memories
From a life that has been dead
Tells me there is no one to blame and therefore
No one to forgiveWalk with me
Take my hand
Spend a night
With a stupid man
I am yours if you can
Fall in love

With a stupid man
