

The Music Got Me

Clapton

You don't know just what it
does to me
but it keeps lifting
me higher into
ecstasy
Gotta keep moving to the rythm
to the rythm of the beat
There's a power in the music
and it's lifting me
Wanna go higher in the magic
of the music in me
There's a power in the music
and it's lifting me
Wanna go higher
You don't know just what it
does to me
but it keeps lifting
me higher into
ecstasy
Gotta keep moving to the rythm
to the rythm of the beat
There's a power in the music
and it's lifting me
Wanna go higher in the magic
of the music in me
There's a power in the music
and it's lifting me
Wanna go higher
You don't know just what it
does to me
but it keeps lifting
me higher into
ecstasy
Gotta keep moving to the rythm
to the rythm of the beat
There's a power in the music
and it's lifting me
Wanna go higher in the magic
of the music in me

There's a power in the music
and it's lifting me
Wanna go higher
You don't know just what it
does to me
but it keeps lifting
me higher into
ecstasy
Gotta keep moving to the rythm
to the rythm of the beat
There's a power in the music
and it's lifting me
Wanna go higher in the magic
of the music in me
There's a power in the music
and it's lifting me
Wanna go higher
