

I Love You (Joffa Bond - We Miss Ya)

Him

I see it in your eyes
I feel it in your touch
I taste it from your lips
And baby more I love you Can't you see my darling
That the harder I try
The more we grow apart
Please believe me
The sweeter the kiss
The colder turn your arms
The colder grows your heart
And baby more I love you I see it in your eyes
I feel it in your touch
I taste it from your lips
And baby more I love you
And baby more I love you And tonight my darling
The closer I get
The more you're out of love
Don't you feel it
The colder your touch
The more it turns me on
And the faster beats my heart
And baby more
I love you
