Concrete Jungle

Â®-Bob Marley

Darling, now
You made me change my mind
Can go no further
Because you got me chained and bound, ohTaller than the tallest pine
Sweeter than a grape on a vine, now
Can go no further
Because you got me chained and bound, right now, nowSo glad, I'm so glad, I'm so glad
Oh, I don't have to worry no more
Oh, my, my, my
Baby, somebody, somebodyWhat kind of life is this that I'm living?
Oh, Lord, what kind of love is this you trying to give me?
I feel like standing up and telling the world
I'm chained to your loveDarling, oh
Don't break this little heart of mine
There's no greater love than this love
Of yours and mine, ohYou walk with your head in the sky
Darling, don't ever pass me by
I ain't going no further
Because you got me chained and bound, oh, nowSo glad, I'm so glad, I'm so glad
Lord, I don't have to worry no more
Oh, she got me chained to her love, now
I don't, I don't wanna be taken away, ohI'm chained, I'm chained and a little bound, now, now
I'm chained, I'm chained to your love
I don't, I don't, I don't wanna to be taken away, now
Ooh, just a little bit of soul
Just a little bit of soul, now
