

Do You Believe in Love

Huey Lewis & The News

I was walking down a one-way street
Just a looking for someone to meet
One woman who was looking for a man Now I'm hoping that the feeling is right
And I'm wondering if you'll stay for the night
So I'm coming, oh
(I don't wanna be lonely, baby please tell me)
I wanna love you all over Do you believe in love?
Do you believe it's true?
Do you believe in love?
Oh, you can bet I believe it too Now the feeling is beginning to grow
And the meaning is something you only know
If you believe it take my hand and I'll take your heart, come on Now I wonder where does true love begin
I'm going under so I'm lettin' you in
My woman, oh
(I don't wanna be lonely, baby please tell me)
I wanna love you all over Do you believe in love?
Do you believe it's true?
Do you believe in love?
Oh, you're makin' me believe it too, yeah I use to have you in a photograph
(I'm so glad it's changed)
But now I've got you and it's gonna last
(Do you believe in love) Do you believe in love?
Do you believe it's true?
(I'm so glad)
Do you believe in love?
(I'm so glad)
Oh, you're makin' me believe it too, yeah Do you believe in love?
Do you believe it too?
Do you believe in love?
I believe in love too, oh
